07/12/2024	Ned Gravel In 2024, this will be the third edition of Ned Gravel. We are keeping many components the same as well as expanding the aspects that make Ned Gravel a unique cycling event. Cycling has been a homogenous sport for a long time and we are a part of dismantling that and attracting typically disadvantaged groups to cycling. That is why we are offering early and discounted entry to women, athletes of color and non-binary individuals. In addition we will be creating a fund to help pay for entries for people who may not be able to afford it. By reducing barriers to entry for marginalized groups we are hoping to have the most diverse gravel bike race in the country. We also want to be environmentally conscious as possible with the ultimate goal of being zero waste. Our initial efforts include a zero cup event, trash/recycling/compost receptacles at start/finish and all aid stations, course sweepers making sure no trash is accidentally left on the course and option for participants to pay to offset their carbon footprint while traveling to the event. The race is being planned for 7/13/2024. The race is made up of 4 course options offering four distance options; 20 mile, 50 mile, 70 mile and 116 mile. The start/finish will be in Nederland with each loop branching out from there. The long course will start at 5AM, and complete a 47 mile loop which is mainly in Gilpin County and then the 70 mile loop which is all in Boulder County. The 70 mile race will start at 7AM and will complete just the Boulder County loop. Then the 50 mile race will start at 7:30AM and finally the 20 mile course starts at 8:00am. During that time we are also hoping to include a small kids race/bike safety rodeo that will take place around the start/finish area and will be free and open to all kids, even if their parents are not racing. We are applying for a permit for 1000 participants and expect to sell all 1000 spots. With 1000 participants we would anticipate an additional 500 spectators for a total max of around 1500 people. Parking in Nederland for any event is always a challenge. We will strongly encourage carpooling and will find ways to incentivize that. We are utilizing in town parking this year and have approved permits for Barker Reservoir, Nederland Community Center and Nederland Elementary School. We are not requesting any closure of county roads. For a full course description see our Traffic Control Plan in our Operations Plan for maps, links and description. We are concurrently submitting our Town of Nederland Permits, Colorado Highway Patrol and Gilpin County Permit requests.	TSEP-24-013	Payment Pending

09/13/2024	NedNed Trail Fest NedNed is a trail running race based in Nederland, CO that is entering it's 42nd year. The NedNed has been a staple of Nederland for 4 decades and has been a popular draw for runners all along the Peak to Peak region. It has recently become part of the CO Mountain Half Marathon Series and has drawn runners from all over the state. The Race is planned for September 14th, 2024. It offers 3 running races: a 5k, 10k and half marathon. New in 2023 we added a mountain bike race as well. The starts times are: Half Marathon - 8:00am, MTB - 8:30am 10k - 9:00am, and 5k - 9:15am. We are requesting approval to use the new Toll Ranch Trail this year to create more separation between our runners and mountain bikers. This new route would utilize all the same West Magnolia trails, Eldora Nordic Center trails and a small section of Jenny Creek Trail. Please see map link below. We are applying for a permit for 750 participants and anticipate selling all 750 spots. With 750 participants we would anticipate an additional 200 spectators for a total max of around 950 people. Parking in Nederland for any event is always a challenge. We will strongly encourage carpooling and will find ways to encourage that. Parking will take place in and around town as well as the parking lot at the Community Center and Barker Meadows Reservoir. We are not requesting a closure of any Boulder County roads.
